2021

MESSAGE FROM THE CHAIRMAN

2021 remains to be challenging for college athletics among various other economic impacts our communities face throughout all of Canada. A big pat on the back goes to our student athletes that have remained vigilant in the classroom and on the field by making sure they are keeping up with their education and following the strict guidelines that have been emplaced upon us all. These young men have held themselves accountable and show just how much they want to return to a normal baseball season. Although the near future doesn't appear to show any signs of getting closer to normal

these young men still show up and put in the work whether it be in the classroom or training at the field. Congratulations goes to these young men and the coaching staff at PBA. Thank you for setting an example our youth can look up to.

An even bigger thanks goes towards the community support we continue to receive even in these trying times. Without the support of our communities, PBA would not be where it is today and most definitely would not be able to sustain the world class program it has become. All of our community partners have helped mold PBA into the top development program for college baseball players in the country. Whether it be through supporting our annual golf tournament, annual banquet, through scholarship donations, our strong alumni engagement or our youth camps, everyone that has or still does support the PBA holds a special place in our hearts. Thank you so very much for all our supporters do for the program.

We are proud to all wear the PBA jersey and are especially grateful for our educational partners, Lethbridge College and the University of Lethbridge. Our long list of alumni accomplishments throughout all of Canada is evident of the special relationship we have with our educational partners. Each and every Alumni is a vital part of the communities they now reside and have had an incredible economic impact through out Canada and even into the USA.

With several Canadian championships, PBA has what it takes to overcome any obstacle and that is what this pandemic is, a mere obstacle that can be overcome with hard work and determination. PBA will continue to excel on the field, in the classroom and through mentoring the youth in our communities. We look forward to continuing our success as the team continues to work, day in and day out with hopes of soon hearing "Play Ball"

Rob Greeno - Chairman

PBA OPERATIONS DIRECTORS & OFFICERS

In late 2014, the Prairie Baseball Academy underwent a significant change in operations that created a larger entity for baseball in Lethbridge. Marketing, administration, team operations, and most staffing is now all consolidated in Under the Lights Sports & Entertainment Inc., which is the parent company of the Lethbridge Bulls. In addition to PBA and the Bulls, the company also contracts services for Spitz Stadium, Lloyd Nolan Yard, Little League Alberta, Little League Alberta District

1, Lethbridge & District International Baseball (travel team) Program, Western Canadian Amateur Baseball Foundation, Western Major Baseball League, and a few others as well.

The Prairie Baseball Academy Society remains a strong, functioning society that operates Lloyd Nolan Yard and looks after the grass cutting at Dave Elton Park. It also owns the assets at Lloyd Nolan Yard.

The PBA Alumni Association is a key organization that encourages social activities, promotion, and fund development for scholarships. The membership is made up of nearly 700 past PBA players!

The PBA's Golf and Scholarship Fund operates its annual Keith Jorgensen Memorial Golf Tournament, as well as coordinates the important scholarships that annually provide \$80,000 plus to PBA players. our baseball team:

ROB GREENO - PBA President
- PBA Society Director
- UTLSE Director
- Alumni Association President

Rob grew up in Lethbridge and started playing baseball at a young age. He played SW Little League, Canadians, American Legion, and then PBA. He finished his career and his schooling at Mayville State in North Dakota. Rob has been a director with the PBA board for six years and president of the PBA Alumni Association for four years. Rob lives in Lethbridge with his wife Amelia and two sons (Liam and Levi). He also works for a management consulting firm called Asyma Solutions as an account manager.

GLENN SECRETAN
- PBA Academic Advisor
- PBA Scholarship Chair

Glenn grew up in Del Bonita where baseball was the only game in town. He thinks still is and has participated as past president of high school baseball, associate scout for the San Diego Padres, and teacher at the University. He is pleased that eight of his former players have played for the PBA. He is married to Penny, a manager at the U of L, and has four sons all of whom have completed degrees in the sciences and work in medicine and engineering. He has made a career in education and counseling and finds his work with the PBA very satisfying because of the personal growth fostered in each student athlete who participates.

MEL COLLIER - PBA Vice President

Welcome to another year at the PBA. Several years ago I was involved in coaching & volunteer umpiring for little league baseball. Before that I played, coached, umpired, & was president of men's slowpitch. Lately I have been seen at the odd golf course & was on the committee that hosted 2008 Canadian Men's Championships at Paradise Canyon. I am part of the committee that hosts the Canadian Junior Little League Championships held in Lethbridge. I volunteer on a few other boards. I'm huge baseball fan & have enjoyed my years of PBA board of directors. Now that I am retired, I can devote more of my time to the development of all baseball throughout southern Alberta.

PBA OPERATIONS DIRECTORS & OFFICERS

KEVIN KVAME

- **PBA Society Treasurer**
- **UTLSE President / Ceo**

Kevin has had a long involvement in baseball at many levels. He grew up in Fort Macleod and it was there that he found his love of the game. He provided the vision to bring American Legion baseball to the community in 1985 and also worked in developing the stadium for the club. From there he became involved in Little League and has served at many levels including President of Fort Macleod Little League, Tournament Director for 11 National Championships, and is currently the District Administrator for Southwestern Alberta and the Vice President of Little League Canada. In Lethbridge, he assisted Doug Jones in founding the Lethbridge Bulls in 1999 and became the President and General Manager of that club in 2005 which has now amalgamated with PBA using Under the Lights Sports and Entertainment. From 2000 - 2011, he was active on the provincial scene as the President of the Alberta Amateur Baseball Council.

James Ford - PBA Society Director

James Ford resides west of Granum. He became involved with the Lethbridge baseball community when his son, Tyson, played for the Spitz Canadians in 2005 & then several years later with the PBA Dawgs while attending Lethbridge College. He also played 2 seasons within the WMBL.

Lori Ford - PBA Society Directors

Lori Ford resides west of Granum. She became involved with the Lethbridge baseball community when her son, Tyson, played for the Spitz Canadians in 2005 & then several years later with the PBA Dawgs while attending Lethbridge College. He also played 2 seasons within the WMBL.

CINDY ADACHI

- **Official Photographer**

Cindy's involvement with baseball all started when Dr. Al Trautman, who she works with, gave her tickets to go and watch his son play American Legion Baseball. Cindy was a hockey hound with her camera always around her neck. Soon she was hooked and now spends all summer and fall with her camera around her neck at the ballparks. All of the PBA action shots are due to Cindy. She enjoys her involvement with PBA in more than just taking pictures. She is a great asset to our program.

THANKS to all our Board Directors, Officers, Staff, Sponsors & Volunteers. We make our program possible with your help!

PBA OPERATIONS DIRECTORS & OFFICERS

Brett Semeniuk
– **Administrative Assistant**

Brett comes to us from Edmonton, AB where he played for St. Francis Xavier before coming to Lethbridge and joining PBA. Brett played from 2014-2017 winning two CCBC Championships and spent two summers playing for the Lethbridge Bulls. After Graduating from Lethbridge College with a diploma in Business Administration majoring in Management he has moved on the University to finish his degree.

Heather Mitchellmore
– **Customer Service Manager**

Heather comes to us all the way from Southern Ontario! You can find Heather at the Spitz Stadium office throughout the year except a couple of our cold Canadian winter months where you will find her in Arizona enjoying the sun, Arizona Fall League Baseball, and MLB Spring Training. Heather is an excellent Customer Service Manager and ensures all operations are kept up to date.

Lukas Ankermann
– **Finance Assistant**

Lukas Ankermann is from Lethbridge. He played 3 years with PBA at the shortstop position and occasionally pitching. Now that Lukas' baseball days are over, he is focusing his efforts towards his education. Lukas is currently attending the University of Lethbridge enrolled in the Dhillon School of Business - majoring in accounting. When not at work or school Lukas finds himself catching up on sleep and cheering for the Oakland A's.

Glenda Kurtz – **Key Volunteer**

Glenda has been with the Bulls and Under the Lights since 2009. Over the past 2 years, she has a new role in her life, that being Grandma to a boy and girl. She is downsizing her role in the organization but still works as a key volunteer at many events. We wish Glenda all the best in her important role and we look forward to seeing her

when she comes around the ballpark in the future!

CHARLEE GREENWOOD
- **Fundraising & Special Events Coordinator**

Charlee is our in-house graphic designer, fundraising and special events coordinator, and marketer for

Prairie Baseball Academy as well as the Lethbridge Bulls and other clients of Under the Lights Sports and Entertainment. She loves to create new and exciting graphics and content for our social media pages, running fundraisers through the off-season, maintaining our websites, and assisting with game day operations and promotions.

Charlee is a proud animal lover, spending time with her partner and fur babies in her spare time. Her passion for the sports industry and marketing brought her to us in 2019 as our Marketing Assistant, and back again in 2021 to take on a full-time position with the organization.

HALL OF FAME 2021

Shirley McClellan

Prairie Baseball Academy (PBA) wishes to introduce the Honorable Shirley McClellan into the Builder/Community Leader category of our Hall of Fame.

She currently resides in New Brigiden, Alberta where she farms with her husband, Lloyd, and their family.

Shirley was born in Hanna, Alberta, where she learned early on about the importance of education. Shirley knew that you needed to find ways to stand at the front of the line if you wanted to accomplish your goals. Be it with sports, politics or in life, Shirley always found a way to stand at the front of the line. Shirley's work ethic and passion for her community to this day, make her an incredible addition to our PBA Hall of Fame.

Shirley was first elected to the Alberta legislature in 1989, and served her constituents until she resigned in January 2007. Shirley served six terms as the member of the Legislature for Drumheller/Stettler. Oddly enough, Ralph Klein resigned the same day as Shirley. Makes you wonder who really was in charge of the Alberta Government during the Ralph Klein era!

Shirley held numerous senior cabinet posts over the years, including: Minister of Health, Minister responsible for the Wild Rose Foundation; Minister

responsible for the Alberta Alcohol and Drug Abuse Commission; Minister Responsible for Seniors; Minister of International and Intergovernmental Relations; Minister of Agriculture; Minister of Finance; Chair of the Treasury Board; and probably her most passionate appointment, Minister of Community Development. Shirley was appointed to this post in 1996. However, as her role changed within government, Shirley always made sure to stay involved in Community Development. It was here where Shirley's passions were exhibited to the citizens of Alberta. She was always willing to lend an ear for projects, that would better Alberta communities. She was very influential and successfully directed government monies for well thought-out parks and community centers. She was always there for her community.

Shirley had a vision and recognized the value that hockey rinks, community centers, parks and baseball fields brought to communities. She visualized an environment where people could come together to be involved in an activity.

Such was the case with the Lloyd Nolan Yard baseball facility. Shirley McClellan was instrumental in the construction of the Lloyd Nolan Yard facility. She could see the value that the Lloyd Nolan complex brought to the baseball community in Alberta and Canada. Shirley loved to watch baseball – she frequented games in Las Vegas, Ottawa, and, of course, at Lloyd Nolan Yard. Shirley took a keen interest in developing student-athletes in a first of its kind college baseball program in Southern Alberta.

It took visionaries like our 2021 PBA

HOF inductees to see a project of this magnitude through. Today, there are close to a dozen high school and college baseball academies competing each year in Alberta. The growth of baseball would not have been possible without individuals such as Shirley McClellan. For that, the PBA family owes her our sincerest gratitude.

The Prairie Baseball Academy would like to officially congratulate Ms. Shirley McClellan, on her induction into our PBA Hall of Fame for the class of 2021 in the "Builder/Community Leader" category.

Clint Dunford

Prairie Baseball Academy (PBA) wishes to introduce Clint Dunford into the Builder/Community Leader category of our Hall of Fame.

Clint's impact on Lethbridge extends beyond baseball, but PBA is incredibly thankful for his support over the years.

In the early days of PBA, Clint was the Minister of Advanced Education. At the time, neither the University of Lethbridge or Lethbridge College were that interested in having an affiliated team. When the organization started having conversations about being an independent academy, Clint suggested that they allow students to attend both programs to increase the player pool and increase student opportunity. He initiated the dual school program,

HALL OF FAME 2021

which remains in place at PBA to this day. Close to one-thousand student athletes have benefited from being allowed this educational flexibility in Lethbridge.

While Minister of Advanced Education, Clint (and Shirley) introduced PBA to the Heritage Fund. The Heritage fund matched PBA dollar for dollar. The funds were used for scholarships to support PBA players, which were desperately needed at the time. Clint and Shirley were key to the PBA scholarship program that has grown to give out anywhere from \$60,000-\$80,000 annually, to PBA players.

Once the scholarships were in place, Clint told Coach Kubicek that his office door was open, and Kub could get ahold of him any time he needed it. Coach Kubicek took him up on that! The vision was always that the PBA needed its own facility. Meetings with the University were unsuccessful. At the College, little headway was made. They had started setting up plans to build at the College, but those plans fell by the wayside. At the time, Clint was involved in Economic Development for the provincial government, and stepped in to approach the city of Lethbridge. Clint suggested that they donate land to the Academy. When asked to talk about Clint's influence on PBA, Coach Kubicek vividly remembered Rick and Clint standing at the current site of Lloyd Nolan Yard looking down into what was a shallow coulee. Back in those days, it was barren and filled with garbage including a memorable old fridge. Clint and Rick went to city council and were determined that this was the spot. Clint was the behind-the-scenes guy for the land donation. When they broke ground at what is now Lloyd Nolan Yard, Clint turned over the first shovel of dirt.

Clint Dunford was integral to the development of the facility at Lloyd Nolan Yard, and the Prairie Baseball Academy as an educational program. To all those that know Clint, to call him integral is still an understatement. The Prairie Baseball Academy would like to officially congratulate Clint Dunford on his induction into our PBA Hall of Fame for the class of 2021 in the "Builder/Community Leader" category.

Rick Williams

Prairie Baseball Academy (PBA) wishes to introduce Rick Williams into the Builder/Community Leader category of our Hall of Fame.

Rick Williams' influence on the Prairie Baseball Academy started in the first half of 1998. Rick was the Manager of Parks and Recreation with the City of Lethbridge. Lethbridge City Council had been bombarded with inquiries to build another baseball facility, a facility that the newly inducted PBA could call home. The inquiries came predominantly from a special group of men, recognized as our 2020 HOF inductees. Keith Jorgensen, Doug Jones, Rick Paskal and Coach Kubicek were persistent to the core. Eventually City Council decided to move ahead and the project was assigned to Rick Williams. This was Rick's introduction to the Prairie Baseball Academy.

Rick Williams met with this group of individuals. After hearing about the plan, he could have easily put the project and the dream on hold. After all, it was going to be a massive project! Rick did quite the opposite. He jumped into the project headfirst and asserted himself in ways not traditional of a near-retirement civic employee. The wheels were put in motion and tenders for the project were opened to the public. The estimates that came in were three times higher than the "dream team" had budgeted. PBA thought the dream may be dead before it even got started. Rick wasn't going to let that happen. He stepped up and took on the position of general contractor for the construction of the baseball field and indoor facility at Lloyd Nolan Yard himself. Rick's new job description (unbeknownst to the city) included: Recreation and Parks Manager, Lloyd Nolan General Contractor and PBA/City of Lethbridge official liaison.

Rick's tireless effort over the following months is one of the many reasons Lloyd Nolan Yard is home to PBA today. Rick took pride in the project and used the budget as efficiently as possible. Rick's vast experience allowed for some minor rule-bending during construction, which saved PBA thousands of dollars in the long run. Rick carried the burden of accountability on this project all the way up the ladder to the mayor's office. Rick's persistence and dedication to the project helped the PBA family literally build their dream baseball facility. At the time, and to this day, Lloyd Nolan yard remains one of the premier college baseball facilities in Canada.

The Prairie Baseball Academy like to officially congratulate Rick on his induction into the PBA Hall of Fame for the class of 2021 in the "Builder" category.

HALL OF FAME 2020

Coach Kubicek

It is with great honor that our first inductee into the PBA Hall of Fame is none other than our first coach, Blair Kubicek.

Coach Kubicek moved to Lethbridge in the summer of 1995 and began working on recruiting the first ever PBA team. The Academy took to the field at Henderson Stadium on September 4th, 1995 with 52 players eager to show off their skills. The first year of the program had many hurdles to overcome and Coach Kubicek was determined to make Prairie Baseball Academy into a powerhouse college baseball program that could compete with similar programs across North America. Under Kubicek's reign as head coach from 1995-2010 he compiled a 353-279-3 record. During his fifteen years with the program 110 players went on to 4-year institutions, and 27 players were drafted or signed into professional baseball. Coach Kubicek's blue collar mentality has stayed with the Prairie Baseball Academy to this day and is one of the many reasons PBA has been so successful over the last 25 years. Coach Kubicek spoke on attitude and mentality all the time. We would like to leave you with a passage that Coach used at PBA for many years:

The longer I live, the more I realize the impact of attitude on life. Attitude, to me is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, giftedness or

skill. It will make or break a team, a company, or a family. The remarkable thing is we have a choice every day regarding the attitude we will embrace for the day, in school and at the yard. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I am convinced that life is 10% what happens to you and 90% how you react to it. So, it is with you and your teammates, we are in charge of our attitudes. If we think we "can" or if we think we "cannot" we are right.

Committee member Omar Kadir had the privilege of contacting Coach Kubicek to inform him of his induction, and had this to say about their conversation:

"Coach Kubicek was very honoured to be receiving this Hall of Fame induction. He spoke highly of his time at PBA and really values the relationships he made with players and staff."

Keith Jorgensen

Our second inductee into the PBA Hall of Fame will be Keith Jorgensen. Unfortunately Keith passed away after a long battle with cancer in 2016. Keith will be honoured posthumously by his wife Beverley Jorgensen at this year's banquet. The PBA staff would like to thank Bev for writing the following passage about Keith and his influence on the Prairie Baseball Academy from the very beginning:

Prairie Baseball Academy was truly a dream program for four visionary men. In the summer of 1993 Doug Jones

(President of Alberta Baseball), Blair Kubicek (Coach at Edmonds College), Reed Spencer (Scout for Colorado Rockies) and Dale Tilleman (Scout for the New York Yankees) had an inspiring conversation in regard to a Canadian College Baseball program. From this simple but profound idea they then approached Alberta Sport Council for support and the sport council responded quickly with a great deal of enthusiasm. Doug, Dale and Reed added a new recruit, Keith Jorgensen to their roster and they headed to Medicine Hat to meet with Wayne Schlosser, Lovell McDonnell and Kevin Friesen. In October 1994, Keith was elected the first President of PBA, Doug, the Vice-President, Dale, the Secretary-Treasurer and Board members were: Reed Spencer, Wayne Schlosser and Wayne Guenter. And Prairie Baseball Academy was established.

Keith served as President from 1994-2001. Many challenges were forthcoming in the early years as the program took shape. Keith was instrumental in drafting the PBA Constitution and PBA Mission Statement. As partnerships were formed with the University of Lethbridge and the Lethbridge Community College educational needs of the students were met. Between these two institutions, student athletes are able to receive excellent training in almost any field that they might choose to enter. Many meetings were held with the City of Lethbridge to develop a plan for a much needed facility. Construction was soon underway and Lloyd Nolan Yard became a reality with a grand opening in September 1999. PBA sponsored many winter and summer Instructional, Conditioning, Hitting and Pitching Seminars and Camps for youth in Southern Alberta. Coaches and Umpires Conventions were offered in conjunction with the annual PBA Awards Banquet.

Keith served on the Board of Directors from 1994-2016 as the Business/Promotions manager. He had a variety of responsibilities: player

HALL OF FAME 2020

registration, fund-raising, media guide program, awards banquet chairman, tournament organizer, and could almost always be found during home games at the barbecue or helping out in the concession.

As the program grew and young men came from all across Canada to hone their baseball skills with a desire to gain an education in their chosen career paths, Keith envisioned a Scholarship program that would encourage and help them to achieve both of these goals. And so the PBA Caddie Classic was formed. His goal was to bring together a community of like-minded golfers, to introduce them to PBA Baseball players and have a fun and rewarding day playing golf. To Keith's delight the first PBA Golf Tournament was a great success which resulted in a very successful Scholarship program too.

Prairie Baseball Academy was the perfect venue for Keith. He loved children, teaching, baseball, golf and being involved in his community. The Academy certainly provided Keith the opportunity to do all that he held dear to his heart and more.

As his family we feel a deep sense of pride that Keith will have a place of honor on the Wall of Fame for Prairie Baseball Academy. We know how much he loved baseball and especially this program, so we thank you for this tribute to his legacy.
~ Beverley Jorgensen and Family

Rick Paskal

Prairie Baseball Academy would like to recognize Rick Paskal as the next inductee into our Hall of Fame. Rick was one of the original gold sponsors of the PBA

program. Rick served as the second President of PBA from 1998-2002. It was clear from day one that Rick valued the community and had a vision to produce a state of the art facility at Lloyd Nolan Yard. Rick spent countless hours working with contractors and the City of Lethbridge to create a baseball facility that could be home to a Canadian college baseball program. Rick did all of this work while running his own successful trucking, cattle and feedlot business.

Rick was a firm believer that academics must come first for PBA to thrive. He always made sure to acknowledge both post-secondary institutions and the vital role they played in the success of the program. All three of his sons: Kurtis, Kevin, and Craig played for PBA and have since joined the family operation out in Picture Butte, AB.

Rick and the Paskal family have remained incredibly supportive of PBA through the years, donating thousands of dollars at fundraisers and banquets. The Paskal Family purchase the PBA Work Package in our live auction at the PBA Banquet almost every single year. The players come out to the farm for a day and pick hundreds of rocks out of the fields. Waiting for them at the end of the day is one of the best steak dinners you can imagine, all the fixings, for thirty or more hungry young players, it is a sight to see. Simply said, our program would not be the same without Rick's commitment, leadership, and strong values. We appreciate your dedication to our community and belief that pursuing a career in baseball is best paired with strong values and a quality education.

Two of our Hall of Fame Committee members along with Coach Hubka were able to get out to Picture Butte before the holidays to speak with Rick about what this honour means to him. As always, Rick was hesitant and humbled by the praise he was receiving. Rick

continued to say "He was a little unsure what he did to deserve such a big honour, he was just being a dad." Which sums up what an amazing person Rick is.

We at the Prairie Baseball Academy cannot thank Rick enough for being an amazing father, and literally helping build Lloyd Nolan Yard.

Larry Nolan

The Prairie Baseball Academy is proud to next induct Larry Nolan into our Hall of Fame. Prairie Baseball Academy owes an overwhelming debt of gratitude to Larry Nolan for his generous support from the very beginning of the PBA program.

Larry was first introduced and fell in love with the game of baseball as a youngster. He and his cousin, Keith Jorgensen (also inducted into the PBA HOF in 2020) played on the same Little League team in 1955. When the boys got a little older, Lloyd Nolan, Larry's older brother coached them and shared the same passion for baseball as the two young men. In 1996, Keith Jorgensen and Coach Kubicek met with Larry at his home. The group of men sat at the kitchen table and Larry was asked if he would become a Gold Sponsor of PBA. Larry said yes and was elated that he had an opportunity to give back to a baseball program in Southern Alberta. This was the beginning of an incredible relationship between Larry and PBA that has lasted through to this day.

Fast forward to 1997, Rick Paskal and Coach Kubicek approached Larry in

HALL OF FAME 2020

regard to a donation towards the construction of a new facility for PBA. Once again Larry answered with a resounding yes! The wheels were set in motion, The City of Lethbridge was on board, a location was determined and construction began under the expertise of Rick Williams. Coach Kubicek and Rick Paskal were the driving forces behind getting the facilities built: Blair had the vision, and Rick was the “man who walked with a big stick.” Larry was so pleased to see the speed with which the facility took shape. Not long after breaking ground on the North Side of Lethbridge was the facility complete, the only detail left was to add a name to the facility. The Nolan family was consulted and it was determined that this baseball complex would be named “Lloyd Nolan Yard.”

Recently, Larry was asked “Why would you choose to contribute in such a large way?” Larry replied “In my business I have had an opportunity to help others and I am grateful that I could.” Larry expressed how special it is to have had baseball players approach him, shake his hand and say thank you. These special moments to Larry are what have made it all worthwhile. Baseball has always had a tender spot in Larry's heart and he is so pleased that PBA has brought the best to Southern Alberta. A closing thought from Larry and a quote:

“Baseball has grown so much over the last 25 years, and it is clear the role that the Prairie Baseball Academy has had contributing to that growth.”

Dustin Molleken

Our 6th and final inductee into the PBA Hall of Fame for 2020 is Dustin Molleken. Dustin is the first and only player from PBA to play in the MLB. Originally from Regina, Saskatchewan, Dustin came to PBA in 2003 after playing with the Canadian Junior National Team. Dustin had a successful year with PBA and was drafted in the 15th round by the Pittsburgh Pirates. Dustin was 18 years old in 2003, he is 35 years old now, still competing at the highest level. Dustin will represent Canada at the 2020 Olympic qualifier in Arizona this March and hopefully at the Olympics in Tokyo, Japan this summer. Dustin has had an incredible career spanning close to two decades in the game of baseball and we are proud to say that PBA was one of the early stops in Dustin's journey.

The PBA coaching staff is extremely proud to boast about Dustin's success. The following list is a glimpse into what this man has accomplished and where Dustin has been in his baseball career:

- 2002 Played for the Canadian Junior National Team
- 2003 Played at PBA. Drafted by the Pirates in the 15th Round
- 2003-11 Played in the Pirates organization
- 2011 Signed with the Colorado Rockies (AA, AAA)
- 2011 Competed with Team Canada at the Pan Am Games. Won Gold.
- 2012/13 Signed in Japan for the Nippon Ham Fighters.

- 2014 First ever Canadian player to pitch in the Japan World Series. Signed with the Milwaukee Brewers (AAA - Nashville Sounds)
- 2015 Signed with the Cleveland Indians (AAA - Columbus Clippers)
- 2016 Signed with the Detroit Tigers (AAA - Toledo Mud Hens)
- 2016 Made his big league debut on July 4th Vs. Cleveland Indians Pitched against the Toronto Blue Jays @ Rogers Centre
- 2017 Played with the Toledo Mud Hens
- 2018 Played with the Somerset Patriots in the Atlantic League
- 2019 Competed with Team Canada at the Pan Am Games. Won Silver.
- 2020 Will compete in the 2020 Olympic Qualifier
- 2020 Hopefully Team Canada qualifies and Dustin is in Tokyo for the Olympics.

Coach Hubka had this to say about Dustin and what he means to PBA:

“Dustin was only with us for one year, but he was one of the best teammates and players a coach could ask for. The guy would give you the shirt off his back in a snowstorm, it's just the kind of person he is. The Prairie Baseball Academy is proud to have Dustin as an alumni and a role model for our current players to look up to. Dustin has accomplished a tremendous amount in his life because of baseball, including his beautiful family that we are so very excited will be joining us at the banquet on February 1st to receive this honour.”

PRAIRIE BASEBALL ACADEMY MISSION STATEMENT

The Prairie Baseball Academy has been operating for twenty years and the Coaching Staff and Board of Directors are proud of the entire direction of the PBA.
Our mission statement guides our journey and directs our future.

The Prairie Baseball Academy Mission:

- To become known as an innovative organization in the field of Canadian baseball by being the pioneering force behind the formation of a Canadian based 2-year College Level Baseball League.
- To encourage and assist all participants in the pursuit of academic and athletic excellence, but never allow the first to be compromised by the latter.
- To attract top-level coaching, instructional, technical and training personnel to our program.
- To provide this top level of instruction to as many Canadians as possible.
- To bring the educational communities in Lethbridge together for the betterment of all involved.
- To be respected for having non-compromising principles, values, and integrity within our organization.
- To be a respected leader in the community; recognized for a progressive, visualistic, community oriented and community supportive approach to sports.

Todd Hubka, Head Coach

11th Season at PBA as Head Coach

25th Year at PBA

Claresholm, Alberta

Todd Hubka has been with the Prairie Baseball Academy for 25 years, 2020 will be his 11th season as head coach of the PBA Varsity program. After taking over in 2011, Coach Hubka led PBA on a streak of seven consecutive CCBC Championships, since renamed the Canadian College World Series. During his tenure as head coach, Hubka has compiled a record of 258-

179, good for a .590 winning percentage. Hubka has also moved on over 150 players to four year schools as an assistant and head coach with the program.

Coach Hubka played his youth baseball in Claresholm before moving up to the Fort Macleod Royals American Legion Team from 1983-89. Following high school Hubka played college ball at North Idaho College where he was named to the All-Conference team. Todd jumped straight into coaching following his playing days and started with PBA in the fall of 1996 and has been with

the program ever since. Coach Hubka brings a great knowledge to all aspects of the game and is constantly learning and evolving his approach to the game.

Coach Hubka lives with his girlfriend Marcie. Todd is the proud father of three children and two grandchildren: Kelsey 28, Treyd 23, Ty 18. Bennett 5, & Kade 1½.

Ryan MacDonald, Varsity Assistant Coach

12th Season at PBA

Kennetcook, Nova Scotia

Blakely 4, Makenna 1½

Ryan MacDonald is in his 12th year coaching with the Prairie Baseball Academy. Ryan was born and raised in Kennetcook, Nova Scotia. MacDonald played for Team Nova Scotia at the Canada Cup in 2002 and 2003, as well as representing Team Nova Scotia at the 2005 Canada

Games in Regina, SK. Ryan came to PBA in 2004 and played for three years before moving on to the University of Texas-Brownsville. Ryan played two years at UTB and was named to the 2008 All-Conference Team. Ryan graduated in 2012 with his Bachelor of Arts in Kinesiology from the University of Lethbridge. Ryan has two beautiful daughters, Blakely 4 and Makenna 1½.

Head Coach Todd Hubka feels Ryan's commitment to the game of baseball and coaching has helped the Prairie

Baseball Academy achieve the amazing results they have during his decade with the program. Ryan was the head coach of the Lethbridge Bulls from 2014-2016 and led the Bulls to two consecutive seasons with the best record in the WMBL, and in 2015 the Bulls captured their first ever WMBL Championship going a perfect 9-0 in the playoffs

Chance Wheatley, Junior Varsity Head Coach

Chance Wheatley is in his 4th year with the Prairie Baseball Academy and 2020 will be his first as head coach of the junior varsity program. Chance is originally from Bawlf, Alberta and played his youth baseball with the Spruce Grove White Sox. In 2011, he represented Team Alberta at the Canada Cup in Moncton, New Brunswick. Wheatley played his high

school baseball with the ST. FX Baseball Academy before coming to the Prairie Baseball Academy in the fall of 2013. Coach Wheatley was an infielder, primarily a second baseman. He was on the 2015 & 2016 CCBC Championship teams and was named to the CCBC All Conference Team in 2016. Wheatley played with the Yorkton Cardinals in the WCBL in 2016 and 2017.

Chance graduated from Lethbridge College in 2016 with a Business Administration Diploma. Chance is eager to learn, and his advanced baseball IQ is a tremendous asset

when coaching our younger Academy players. Chance joined the Lethbridge Bulls coaching staff for the summer of 2019 and will return as a head coach in 2021

4th Season at PBA

Bawlf, Alberta

Returning in 2021 as Bulls Head Coach

Rhett Feser, Junior Varsity Pitching Coach

Rhett grew up and played minor sports in Unity, Saskatchewan. He played for Prairie Baseball Academy in the 2015-2016 and 2016-2017 academic years, winning a championship both years. He took home CCBC Pitcher of the Year in 2017. From there, he took his career

professionally, signing to go play in the Dutch Major League in Utrecht, Netherlands. In 2019, he signed to go play in Adelaide, Australia for a season.

Rhett has coached in three different countries so far, and done Strength and Conditioning for many different athletes across several sports including college basketball players, CIS football players, and major junior hockey prospects. Baseball has taken him around the world as a player and he is excited to share his knowledge

and love of the game of baseball with PBA players as well as the youth baseball community in Lethbridge and surrounding area.

1st Year Coaching

Unity, Saskatchewan

Played at PBA for 2 years

Dustin Molleken, Pitching Coach

Dustin played for PBA in 2003, before being drafted by the Pittsburgh Pirates that same year. After being drafted, he spent 7 years with the

1st Season at PBA

Regina, Saskatchewan

Bronze Medal, 2011 Pan-Am Games

Pirates organization, followed by 2 years with the Colorado Rockies. He then went overseas and spent a year with the NPB of Japan with the Nippon Ham Fighters before making a return to American baseball in 2013 with the Milwaukee Brewers followed by the Cleveland Indians from 2014-2015. In July of 2016, Dustin made his MLB debut with the Detroit Tigers posting two strikeouts in two innings of work. He has also celebrated success at the

International level, being a member of Team Canada since 2011. He was set to play in 2020, before the events were cancelled. In 2011, he won a bronze medal at the Pan-Am Games where he posted a 1.93 ERA in four appearances with one win and one save. We are so excited to bring Dustin's passion for the game, as well as his expertise and skillset to PBA this year!

The Prairie Baseball Academy

would like to thank
The City of Lethbridge
and

MEMORIAL SCHOLARSHIPS

Ross Egan Memorial: Ross was an outstanding pitcher, playing for PBA and attending LCC. During the summer of 1997 Ross played for the Team Alberta summer games team. He was recruited and offered a scholarship to attend a U.S. college in the fall of 1997. He died in a traffic accident in the summer of 1997. Ross will always be remembered by Prairie Baseball Academy.

Tony Kubicek Memorial: In 1993 Tony was one of two high school baseball players in the state of Washington to be recognized in "Who's Who in High School Sports." Tony was a second team all star catcher for the Tritons while playing at Edmonds Community College. Tony played for the Dawgs during the fall of 1995. He was scheduled to attend Mayville State University on a scholarship to complete his education but met with tragedy in a traffic accident June 13, 1998 near High River, Alberta. This scholarship is supported by the Kubicek family and the many friend of the family. The PBA is proud to present the Tony Kubicek scholarship.

Lloyd Nolan Memorial: Lloyd was born and raised in Picture Butte district and became a well known in the farming and cattle business. His success benefitted the family farm and his personality benefitted the community he was an important part of. Lloyd's life was shortened by health problems that he fought for some time. As the namesake of our ballpark, he will be remembered for as long as baseball is played at Lloyd Nolan Yard.

H.I. West Memorial: Hubert was a player and builder for most of his life. He coached played and coached for the Del Bonita Cubs of the Old Boundary Baseball League. They won the provincial men's

title in 1951 and won several league championships over the years as well. He was the president of Albert Baseball in 1951 and was the provincial commissioner of baseball beginning in 1954. As a coach, government and community leader, he is best remembered for creating opportunities for others in sporting and community affairs.

Justin Cardinal Memorial: Justin, son of Fred and Jeanette, played his youth baseball in Bonneyville, Spruce Grove, Edmonton and with the Calgary Dawgs. He played for the Alberta Youth Selects, Team Alberta, and the Bellingham Bells in Washington state. His college career included Midland College in Texas, the Prairie Dawgs and Meza College in Arizona. Justin was a great competitor and an outstanding young man who was respected by teammates and opponents alike. He died tragically south of Champion, Alberta September 28, 2002. Justin is dearly missed by teammates and coaches.

Craswell & MacLean – TCMM Memorial: Tanner and Mitch came to us from Charlottetown Prince Edward Island. Mitch came to PBA in the fall 2009 and Tanner attended the following year after transferring in from the College of Southern Idaho. Both players were an integral part of the 2011 CCBC Championship team. Their lives were tragically cut short on December 15, 2011. This scholarship is set up to help further baseball dreams for Maritime players.

Anthony Miller Memorial: Anthony began his baseball career in Nova Scotia in 1997 with the Rawdon Tigers T-Ball program. Miller played with multiple teams in his youth baseball career

including the Rawdon Tigers, Truro Bearcats, Hants North Jays and joined the Noel Road Jays from 2011-2014. Anthony was passionate about baseball and had a true love for the game. Anthony played the game with grit and respect for his teammates, opponents and officials. Miller would encourage and support his teammates and he always had their back. Anthony's coaches described him as being "a passionate, fiery kid", and a "one of kind kid teammate." He will always be remembered for his contagious smile and for showing up excited and ready to play each day. Anthony passed away February 9, 2016 at the age of 23 after a short but courageous battle with a rare form of cancer. Anthony is the brother of Varsity Assistant Coach Ryan MacDonald and we are honoured to be able to hand out a scholarship in his name each year.

Scott Reiter Memorial: Scott Reiter was an avid baseball enthusiast who was often seen supporting the Lethbridge baseball community. Highlights from his personal playing career included a trip to the 1980 Big League World Series in Fort Lauderdale, Florida and a state title with the 1981 Lethbridge American Legion Elks. After graduating from university and starting his own business in Lethbridge, Scott began his 20 plus years of supporting the PBA. In the early years, he helped with the annual PBA golf tournament. As a coach himself, Scott was always amazed at the improvement players made under the guidance of Coach Kubicek and Coach Hubka. When Scott was diagnosed with cancer in early 2018, he always talked about when he would get better, not if he ever would be. Scott passed away on January 16, 2019. May this scholarship continue to give Scott the platform to support the program he respected.

ACADEMICS

What every student athlete must know about Academics and Prairie Baseball Academy

The first thing is absolutely imperative each player must understand, is that you are coming to Prairie Baseball Academy to further your education. Education must come first, that is not to say that baseball is not important to you or us, The reality is that you must be successful in the classroom to be able to play college baseball. If your goal is to go on from the Prairie Baseball Academy to an N.C.A.A. or N.A.I.A University and play, then you must attain the highest grades possible while you are here. Mr. Secretan is with our program to assist anyone in their academic career. We also suggest that you write the ACT or SAT exams before coming to Prairie Baseball Academy. We hope that every student athlete that comes to Prairie Baseball Academy realizes their goal. We have done everything in our power to facilitate the goal but it must take a commitment from you to accomplish it.

Academic Advisor Glenn Secretan

Glenn brings an extensive background in education and athletics to the program. As a high school coach with over twenty years experience, he understands the needs of the student athlete. His teams have won five provincial championships in baseball and basketball and his time outside work has always been spent in amateur sports.

Having raised four sons with his wife, Penny and seen them all go on to college and university, he has insight

into the needs and experiences of college students. As a former high school counselor and a current college professor, he has the background and knowledge to help new students succeed in post secondary education.

The Role of the Academic Advisor

The academic advisor can assist students in many ways, beginning with helping in applying to school and assisting in finding accommodation in the city. He has a great knowledge of programs at both the college and university and can suggest programs of study as well as individual courses. For Alberta students, help with student loan problems can be given. The business of adding or dropping courses can be confusing, as can dealing with telephone registration systems. He can help with concerns in all student registrations and programs. Students sometimes find themselves in need of tutoring and the advisor knows of many qualified people who can assist with these difficult areas. Some tutoring is free and those that charge fees are usually very reasonable. One of the most important areas for the student is the relationship they develop with their professors. The advisor can act as a liaison between the student and the professor and can intervene when problems arise. The advisor administers the PBA scholarship program and co-ordinates the awarding of all scholarships.

Attendance in class is vital to success and the program tries to ensure that students attend regularly. This may at times include daily monitoring of class. Every student report achievement through an in-house reporting system and discusses his progress with the advisor. The advisor also assists in communicating with registrar's offices and department heads.

The key success in school lies in the three areas: attendance, time management and personal motivation. Attendance is the first prerequisite to achievement and there can be no equivocation here – students cannot succeed if they are not there. This means that the student must find a balance between education and his social life very early – failure to do this will result in failure in the classroom. Time constraints are significant for baseball players during certain times of the semester so players must budget time carefully. This is good training for a student and good training for life as well. Motivation is everything in athletics and the same motivation and commitment is necessary in the classroom. When you want to succeed it often happens. At PBA we are concerned with the development of the entire person as student, athlete and citizen. Student athletes in the program are required to maintain a 2.0 GPA in order to continue their participation on the team. Many of our students attain a 3.0 or higher GPA.

LLOYD NOLAN

Who Was Lloyd Nolan?

Lloyd Nolan for whom our Yard is named was a very interesting young man. Diagnosed with Muscular Dystrophy at a very young age and given very little encouragement about having a long life, Lloyd set out to live his life to the fullest and perhaps even out live the odds. Lloyd played in a local band and because he was one of only a few young men with a car, he often took many friends with him to dances around the country side. Lloyd's friends danced and partied all during the evening but once the dance was over then the real party began. If only his car could talk, the stories would be an interesting adventure for each of us. I've heard tell that many a night the car found its' way home in the dark sometimes via a ditch or two. Lloyd's musical talents gave him the opportunity to increase his ever widening circle of friends from the city of Lethbridge all the way to Brooks and beyond.

Although Lloyd couldn't play baseball, he loved the game and coached the Iron Springs Little League team with Keith Jorgensen in 1961 and 1962. What a fun two summers they were, not only for him but for the young players he was involved with. One special young man from that team was Gerrit vande Steeg, whom I sure many of you know from your involvement in Lethbridge Little League and the American Legion program. Lloyd was a great organizer even at the tender age of 17. He took this Little League team throughout southern Alberta in league and tournament play. Lloyd also coached a girl's softball team for at least two years, and they travelled to many communities playing softball as well.

In the late 60's Lloyd started a calf feeding system where calves were raised on pail milkers. From this small two calf operation, Bernard, Lloyd and Larry built up a feedlot operation that now houses approximately 10,000 animals. Lloyd attended many auctions buying calves and soon became a cattle buyer for many local cattlemen. Lloyd loved to travel all over North America and made many interesting trips with family and friends. Rick Paskal, who helped build this yard, became one of Lloyd's travelling companions.

Lloyd had a reputation of being fair, dedicated, honest, trustworthy, innovative, independent, a supporter, an entrepreneur, a risk taker, a taskmaster and a friend. Even in the later stages of his life - when his muscles were not very pliable, he still wanted to be treated just like one of the guys. He never wanted any special attention nor to be treated with special concessions.

The Nolan home was always busy with many visitors and friends, and extended family were always welcome. They came from far and wide to visit, to seek advice, but mostly just to enjoy the hospitality of the Nolan family. A rumour was floating about in the community how Lloyd was so side-tracked by the many visitors that he didn't have time to take care of the computer stock market business he had set up in his own home and apparently lost some money. It wasn't but a rumor I'm sure, but Lloyd took it quite seriously and for the next six months was very diligent in attending to the business at hand and soon had acquired a small fortune - all of this happened long before the internet was established as we know it today.

Lloyd passed away in 1991 at the age of 47 leaving quite a legacy as well as proving how even as handicapped as he was, a fortune could be made. He certainly proved to the medical community that if you give all you have to life, your rewards will be unlimited. Lloyd's sense of humour, his zest for life and his dedication to be the very best citizen he could, allowed him claim to fame and fortune. It was to allow many young people an opportunity to pursue their claim to fame by becoming a baseball player, that the Nolan family supported the construction of this great facility and are still proud to be part of PBA.

LEARN BY PLAYING

Jesse McGowan, a pitcher and bachelor of arts student, and Cory Scammell, first baseman, outfielder and bachelor of science student, are taking their learning outside the classroom with the Prairie Baseball Academy.

“Being a student-athlete means I get to play the sport I love, while pursuing an education in a field I’m passionate about,” says McGowan. “The work-ethic and persistence I’ve developed here is preparing me for life after uLethbridge and PBA.”

By combining education with experiences on the ball diamond, in the community and beyond, Jesse and Cory are expanding their horizons and gaining the skills they need to succeed on the field, as well as in their future careers.
